## Conditions:

- (1) This licence is not transferable.
- (2) Unless earlier suspended or cancelled, this licence is valid for a one year from the date of issue.
- (3) This licence shall be exhibited at all times at the premises specified in this licence.
- (4) The licence may be renewed upon an application being submitted on that behalf in the prescribed form of request, three months prior to the lapse of the term of this licence.
- (5) If this licence is lost, the licensee shall report the matter to the Registrar of Pesticides and apply for a replacement.
- (6) The Registrar shall not renew the licence, if the licensee refuses or neglects to keep and maintain the records as required by the regulations.
- (7) The licence holder should ensure that adequate protective clothing and equipment are used by the staff during operation, transport, storage and disposal of pesticides in order to protect the human health and the environment.
- (8) The licence holder should ensure that adequate warning and protective information are delivered to service recipients in writing (leaflets, pamphlets, etc.) in order to protect the goods, pets, human health and the environment.
- (9) The licence holder should ensure that staff undergo a comprehensive health check up by a medical practitioner registered with the Sri Lanka Medical Council at least once a year and the records available for inspection by the Registrar of Pesticides or any Authorized Officer appointed under the Control of Pesticides Act No. 33 of 1980.
- (10) The licence holder shall use only registered pesticides in Sri Lanka in the manner specified in the label which is affixed to the container.
- (11) The licence holder shall provide an annual training to the employees and inform them of the dangerous nature of pesticides and danger to the health of a person and environment and educate them on measures required to be adopted to ensure safety at all times.
- (12) The licence holder shall inform the Registrar of Pesticides any change in the address of the pest control service at least one month prior to the change.
- (13) The licence holder should obtain approval from the Registrar of Pesticides prior to publishing any promotional material.
- (14) Under no circumstances, restricted pesticides shall be sold or issued to any other party. However, any licence holder who is having valid registrations for importing restricted pesticides may sell or issue restricted pesticides to any authorized party with prior approval from the Registrar of Pesticides.
