Dear Sir,

Withdrawal of Quality Management System Certification

This is with reference to the conversation had with you; we have informed you that the surveillance audit of QMS certification have been due by 15.08.2024 and not given a date for conducting surveillance audit as per the signed agreement (IMSM-IR-AG-02) at the issuing certificates. You may agree when you are not complete audit, we cannot ensure that you operate your quality management system as per the ISO 9001 standard. Therefore, we have decided to withdraw the certificate issued dated on 2023.08.15. We are also compelled to inform it to Sri Lanka Accreditation Board, other government authorities including consumer affairs authorities and relevant interested parties. Therefore, we inform you to refrain from using the certificate and logos with immediate effect on 2024.11.15 and return the certificate at your earliest.

Thanking You.

Yours Faithfully,
