Dear Madam,

Validity of ISO 9001:2008 certificate

We thank you for applying to obtain ISO 9001:2008 quality management certifications from Indexpo certification (Pvt) Ltd. However we wish to inform you that ISO 9001: 2008 version has been replaced by ISO 9001:2015 and the validity of ISO 9001:2008 QMS certification will be expired by September 2018 and hence we wish to inform you that your system need to be upgraded to ISO 9001:2015 version prior to the expiry. Therefore if you still wish to obtain the certification on ISO 9001:2008 standard we would be able to do so only if you agree to update the same prior to the expiry of certification issued to you.

Thanking you.

Yours faithfully,

Director/CEO
Indexpo Certification
