Request for postpone the audit date

Dear Mrs. Buddhika,

As your company informed the due date of ISO22000:2018 certification was 4th October 2021. But due to the lack of imported raw materials, we are currently not practicing daily productions as usual. Therefor please be kind enough to schedule a date for the audit within 3 months from this date. Thank you.

Yours sincerely,

Rasara Thilakarathna
